**Subject:** RE: Commonwealth V. [REDACTED]

Hi Julius,

I retrieved the Drug Receipt for Lab # [REDACTED] and I noticed this sample was for Class D, marijuana. I just need some clarification in regards to this case.

1. The Drug Receipt contains Lab # [REDACTED] Do you need a discovery for the other Lab#s?
2. Also, how is Kate Corbett involved? Are there other Lab #/s for this defendant in which Kate's involved with?

Sorry for the inconvenience.

Thanks.
